

Mission

Carolina University is a Christ-centered university committed to exceptional teaching, scholarly research, creative innovation, and professional collaboration.

Benchmarks

- Academic Excellence – We will ensure that every academic program is challenging, innovative, and practical, preparing graduates who have communication skills and professional competence.
- Adaptable Culture – We will foster an environment in which trustees, administrators, faculty, staff, and students model adaptability and balanced living in a rapidly changing society.
- Financial Responsibility – We will work diligently to achieve and maintain financial stability and flexibility that will provide the resources necessary to fulfill our mission and vision.
- Attractive Facilities – We will renovate, build, and thoroughly maintain facilities that demonstrate excellence while reflecting good stewardship and an eternal perspective.
