

CE 316 - Resident Camp Internship

3 Credit Hours

This course is designed to help students develop expertise in a resident camp and in its organization and administration. Students are placed in an intern relationship with the camp director of a Christian camp, mutually acceptable to the University and the students, for a summer sometime prior to their senior year. They are responsible for working through a checklist of experiences and submitting a final summary report of their camp experiences. The camp director also makes monthly reports on each student's performance.
