

## **NM 404 - Experience Portfolio**

### **1 Credit Hours**

Students who have at least two years of significant experience in the management of a nonprofit organization may qualify to use this option in order to satisfy the practicum requirement. Past experience must include supervisory responsibilities, assessment, human resources, and budget management. A comprehensive portfolio will be developed during the course in order to document experiences and accomplishments. Students must be granted written permission from the instructor or Dean of the School of Ministry in order to qualify for this option.
