

IC 305 - Methods and Strategies in NA Church

3 Credit Hours

A study of church planting models, methods, and strategies appropriate for a North American context. Students will learn to develop and implement a missional ecclesiology for leading new churches in making disciples and reproducing churches that will impact their projected contexts through the 148 gospel. Emphasis will be placed on relevant church planting models, analyzing trends/demographics, networking with other churches/agencies, raising funds, and handling legal issues in a new church.
