BBA with Minor

Bachelor of Business Administration

Description

The Bachelor of Business Administration with Minor (BBA w/minor) offers a comprehensive education in key business disciplines, including management, leadership, accounting, marketing, finance, strategy, and international business. The program equips students with essential professional skills such as business writing, communication, problem-solving, teamwork, and digital literacy. By strategically selecting elective courses, students can expand their knowledge and enhance their career opportunities with the addition of a minor. Any minor offered by the university can be selected, such as Sports Management, Esports, and Criminal Justice.
