

NRE 602 - Advanced Nurse Educator Practicum II

3 Credit Hours

This course provides students with the opportunity to implement the educator role in teaching-learning situations. This second of a two-course sequence provides students with the opportunity to implement aspects of the educator role that go beyond the classroom and clinical teaching. In collaboration with the preceptor, students teach a classroom session, guide learning experiences in the laboratory and/or clinical setting, prepare and grade tests and other student assignments, and engage in other available activities that are essential to the role. Students are expected to devote 90 hours at the practicum placement site over the term.
