

NRL 699 - Capstone Practicum

4 Credit Hours

This course focuses on the development of clinical decision-making and advanced practice skills by analyzing the specific needs of a vulnerable population of clients/patients from a leadership perspective. The student will work with a preceptor to develop a quality improvement plan that is patient-centered and demonstrates the integration of interprofessional collaboration competencies. The student is required to select and complete a mentored clinical experience with only a Masters level RN clinician as preceptors. The faculty must approve each preceptor and site before starting this clinical. 48-hour clinical time is required.
