

MPH 690 - Internship I (elective)

3 Credit Hours

This is a Practicum Experience which provides the students with a field-based experience in which to apply their freshly learned skills and knowledge. This practicum experience must be in the scope of the concentration the student has chosen and often needs to be found by the student. (Prerequisite: One semester in the MSPH program. NOTE: While it is recommended that the internship be taken concurrently in spring/summer of Year 2, it can be scheduled in other semesters.)
