Interdisciplinary Studies

Associate of Science

Description

The Associate of Science (AS) in Interdisciplinary Studies program integrates multiple disciplines, allowing for a broad and flexible academic experience tailored to individual interests and career goals. Students in the program begin with a foundation in natural sciences and then design their own curriculum under the guidance of faculty advisors, drawing upon coursework from diverse academic departments such as Christian religion, humanities, social sciences, natural sciences, business, and arts.

Admissions Requirements

- A high school diploma or GED
- Credentials earned outside of the US must be evaluated by an approved agency
- GPA of 2.0 or higher
- Official transcripts from all previously attended schools or institutions
- Completed application for Carolina University
- Graduation Requirements

Graduation Requirements

- Shall have maintained a minimum cumulative GPA of 2.0;
- Shall have passed all courses in the curriculum and made a C- or better in professional courses;
- Shall have completed at least 24 of the final 30 hours with Carolina University.

Degree Requirements

Foundational Skills (Required)

- GE 101 English Composition I
- GE 102 English Composition II
- GT 103 Learning & Technology

Christian Religion (Required)

• BT 100 - Introduction to Christianity

Mathematics (Choose 1)

- GC 105 College Algebra
- GC 111 Mathematics I
- GC 205 Calculus I
- MG 210 Introduction to Statistics

Natural Sciences (Choose 2)

- BG110 Biology I
- BG 210 Biology II
- CH 110 General Chemistry I
- CH 115 General Chemistry II
- GC 207 Survey of Physical Science
- GC 215 Food Chemistry
- GC 220 Introduction to Nutrition
- PH 100 Human Nutrition, Wellness, and Safety
- PY 210 General Physics I
- PY 215 General Physics II

General Education Electives (9 Credit Hours)
