

MEM 690 - Project/Thesis I

3 Credit Hours

Each student must complete a substantial individual project. There are two different ways to satisfy this requirement.

1. Completion of a master's Project

- a. Student must find a project advisor.
- b. Student must prepare a project proposal and obtain written approval for the project prior to registration.

2. Completion of a master's Thesis

- a. Student must find a thesis advisor – (preferably the second semester into the program)
- b. Student must prepare thesis proposal and obtain written approval for the thesis prior to course registration.
