RES650 - Master's Thesis/Project I

3 Credit Hours
Each student must complete a substantial individual project. There are two different ways to satisfy this requirement.

1. Completion of a master's Project

a. Student must find a project advisor.

b. Student must prepare a project proposal and obtain written approval for the project prior to registration.

2. Completion of a master's Thesis

a. Student must find a thesis advisor – (preferably the second semester into the program)

b. Student must prepare thesis proposal and obtain written approval for the thesis prior to course registration.
