

BUS 610 - Fintech: Special Topics

3 Credit Hours

The financial services industries are changing rapidly with the emergence of financial technology (FinTech). The objective of the course is to provide students with an overview of FinTech and introductions to its applications in financial services, such as commercial and investment banking, digital investing, financial advising, and insurance. Students are expected to develop a broad understanding of the recent FinTech development and its impact on different parts of the finance world. Students will also have hands-on problem-solving experiences that can be useful in FinTech applications and innovation.
