

CJ 380 - Homicide Cold Case Review

3 Credit Hours

This class offers students an immersive learning opportunity by working alongside highly credentialed faculty, detectives, agents, officers, forensic experts, and attorneys to analyze homicide cold cases. Students will develop investigative and leadership skills and present their findings at a Cold Case Round Table. Students in any major can enroll. Prerequisites: Earn a B- or better in CJ 222 - Digital Skills & Criminal Justice Junior or Senior status Minimum 3.0 cumulative GPA Application/interview by course instructor
