History

Piedmont International University is a testimony to the vision and leadership of Dr. Charles H. Stevens, former pastor of Salem Baptist Church in Winston-Salem. Dr. Stevens, a man of fervent love for the Bible, was long noted as a “walking Bible” and a pastor with a passion “to teach the Scriptures as they are, to men as they are.” It was this intense desire to share the Word of God that led him to lay the foundations of what was to become Piedmont International University.

In September 1945, Dr. Stevens established the Piedmont Bible Institute to accommodate returning war veterans eager to begin long-delayed Bible studies. Classes were held in the educational facilities of his church for a number of years.

In January 1947, the Institute was officially chartered, and, under the direction of the Board of Trustees, plans were formulated for the enlargement of facilities and equipment. John M. Deeds Hall was the first major project to be completed in accordance with these plans.

In response to the recommendation of mission boards and leaders in the field of Christian Education, the Bible Institute enlarged its faculty and expanded its curriculum to include a Bible College in the spring of 1948. The first college students were enrolled in the fall semester of that year.

In 1956, Piedmont Bible College became an accredited member of the Accrediting Association of Bible Colleges, remaining affiliated with that organization until 2002. Although independent in operation, the institution is Baptist in polity and doctrine, premillennial (pretribulational) in interpretation, evangelistic in practice, missionary in emphasis, and compassionate in spirit. In addition to these tenets the standards of Christian conduct call for a life of devotion and consistent separation unto God from the world.

In the late 1950s and 1960s, the College continued to grow. New facilities were constructed, including Griffith Hall, a residence for single men located south of Deeds Hall. Classroom space was also added to Deeds Hall.

Dr. Donald K. Drake became president in 1970, succeeding Dr. Stevens who had served as president since Piedmont’s founding. Dr. Drake had arrived at Piedmont in 1967 as Business Manager after serving in the home office of the

Association of Baptists for World Evangelism. An expanded emphasis on international missions characterized his presidency. The campus continued to grow in 1973 and 1974 with the addition of Lee Hall, a residence facility for single women, and the Chapel-Gymnasium complex adjacent to Griffith Hall.

In 1987, Dr. Howard Wilburn succeeded Dr. Drake as president. An experienced pastor and Th.B. graduate of Piedmont, Dr. Wilburn also earned his M.Ed. and Ed.D. from the University of North Carolina at Greensboro. Under his leadership, the institution was accredited by the Transnational Association of Christian Colleges and Schools, and in August 1994, the first graduate class was offered. Piedmont also began offering classes in Bangladesh.

Dr. Charles W. Pettitt was inaugurated as the fifth president of Piedmont Baptist College in 2002, and the influence of Piedmont has continued to expand significantly. The merger, in 2004, of Piedmont Baptist College and Spurgeon Baptist Bible College in Lakeland, Florida, has created a world-class online education program – the Spurgeon School. In conjunction with the establishment of the Ph.D. program in 2006, Piedmont experienced a name change, becoming Piedmont Baptist College and Graduate School. The fall of 2008 saw the launch of the online Spanish M.A.B.S. Also in 2008 Atlantic Baptist Bible College in Chester, Virginia, merged with Piedmont with the goal of establishing the Atlantic Endowment for Ministry Training and assisting Piedmont in continuing its rich heritage of preparing young people to serve the Lord throughout the world by providing a quality biblical education.

In January, 2012, recognizing its continuing dedication to a strong general education core, its expanding emphasis on graduate education and its passionate commitment to international education and ministry Piedmont Baptist College and Graduate School became Piedmont International University.

Location

Piedmont International University is located in the beautiful rolling hills of North Carolina known as the Piedmont. Its home, Winston-Salem, is an industrial, progressive city of approximately 229,000 and is highly enriched by its wealth of religious and cultural traditions. Of special interest to both students and visitors is the restored 18th century Moravian community, Old Salem, located within walking distance of the campus.

Two blocks south of Business I-40 (Broad Street exit), the campus occupies more than three city blocks approximately one mile from the downtown business district. Such a strategic position affords ample opportunity for employment to students who depend in part upon their jobs to remain in school. This location also provides many opportunities for practical Christian activity.

Adjacent to the University is Salem Baptist Church with its daycare ministry, kindergarten through the twelfth grade Christian school, camp ministry, and evangelistic outreach into the community.

Facilities

The Graduate Studies facilities share the same campus with the University. Graduate students have access to the computer laboratory, library, and food service. There are also guest rooms available for rental during modular courses. A limited number of on-campus apartments are available to Graduate Students.

Stevens Hall is the main building for Graduate Studies. It houses the School of Bible and Theology, graduate classrooms, graduate administrative offices, faculty offices, the Graduate computer lab, and a lounge. The School of Arts and Sciences and the Technology Department are also located in the same building.

John M. Deeds Hall houses the George M. Manuel Library; cafeteria; faculty, business, and the undergraduate administrative offices; and classroom space.

Griffith Hall (men) and **Lee Hall** (women) provide spacious and comfortable living quarters for single students.

Pope Activities Center houses the chapel, the BLOC (student center and bookstore), gym, locker rooms, and music practice rooms.

Grace Hall is named in honor of Mrs. Charles H. Stevens and is the home of the Executive Offices, Alumni Office, and Development Office. It also has a museum featuring historical displays and memorabilia from Piedmont International University, Spurgeon Baptist Bible College, and Atlantic Baptist Bible College.

Governance

Piedmont International University is an independent organization of higher education. It is not affiliated with any denomination in an organizational form. However, the University is Baptist in polity and doctrine.

An independent board of trustees governs Piedmont International University. The Board of Trustees has a maximum of 36 members who serve three-year terms. After two consecutive terms, a member may not serve for at least one year. The Board meets three times each year.

The Board of Trustees delegates the operations of the University to the President, who reports to the Board. The President, in turn, hires those persons, as authorized by the Board, to assist him in operational functions. He also hires those faculty members, again as authorized by the Board, necessary to provide the educational services needed for the mission of the University.

The President, other executive members of the University, and the faculty are approved individually by the Board. Other staff members are approved by the President with advisement of the Board.

Statement of Faith

The Scriptures

We believe that the Holy Bible was written by men divinely inspired and is a perfect treasure of heavenly instruction; that it has God for its author, salvation for its end, and truth without any mixture of error for its matter; that it reveals the principles by which God will judge us; and therefore is, and will remain to the end of the world, the true center of Christian union, and the supreme standard by which conduct, creeds, and religious opinions should be tried.

The Godhead

There is one and only one living and true God, an intelligent, spiritual and personal Being, the Creator, Preserver, and Ruler of the universe, infinite in holiness and all other perfection, whom we owe the highest love, reverence and obedience. He is revealed to us as a Father, Son, and Holy Spirit, each with distinct personal attributes, but without division of nature, essence, or being.

God the Son

We believe that the Lord Jesus Christ was begotten of the Holy Spirit without a human father, born of a virgin, and is truly God and truly man, that His deity is absolute, wholly unique, and singular.

God the Holy Spirit

We believe in the personality and deity of the Holy Spirit, the third person of the trinity, who is the divine interpreter of the infallible Word, who convicts the world, regenerates and indwells every true believer, testifies of Christ, energizes, enlightens, and constrains in the way of holiness.

The Fall of Man

We believe, according to the teachings of Scripture, that man was created a moral being in the image of God after His likeness, but man by voluntary transgression fell from his original sinless state. In consequence, the whole human race was involved in guilt, making all mankind now sinners, depraved in nature, spiritually dead, subject to the powers of evil, void of holiness, positively inclined to evil, and hopeless apart from divine grace.

The Resurrection of Christ

We believe in the resurrection of the crucified body of Christ, that this body, which was raised from the dead according to the Scriptures, was a literal body consisting of flesh and bone and that He ascended into Heaven and "sitteth on the right hand of God" as the believer's High Priest and Advocate.

The Way of Salvation

We believe that salvation, according to the Scriptures, is wholly by grace through faith plus nothing. This salvation of the ill-deserving sinner is based upon the finished work of the Lord Jesus Christ, who became the sinner's substitute before God and died a provisionary sacrifice for the sins of the whole world. Since the natural man is dead in trespasses and sins, at enmity against God, and blinded by sin and Satan to his own condition, it is only through the operation of the Holy Spirit using the Word that man is brought to repentance and faith. No degree of reformation, however great; no attainment in morality, however refined; no culture, however attractive; no ordinance or ceremony, however ancient and sacred; no feeling, however satisfying; no sincerity, however approved; no church membership, however authenticated, can in the least degree add to the value of the precious blood or to the merits of that finished work wrought for us by the Lord Jesus Christ.

Justification

Justification is God's gracious and full acquittal, upon principles of righteousness, of all sinners who believe in Christ. This blessing is bestowed, not in consideration of any work of righteousness which we have done, but as a state of most blessed peace and favor with God, and secures every other needed blessing.

The Freeness of Salvation

The blessings of salvation are made free to all by the gospel. It is the duty of all to accept them by penitent and obedient faith. Nothing prevents the salvation of the greatest sinner except his own voluntary refusal to accept Jesus Christ as Teacher, Savior, and Lord.

The Security of the Believer

We believe that all born-again persons are eternally secure in Christ, since the Scriptures teach that our justification before God rests upon the finished work of Christ alone and forever remains the unchanging grounds of the believer's faith. This security is further guaranteed by the continuous High Priestly work of Christ in Heaven itself and by the work of the Holy Spirit who wrought in the believer regeneration and performs an unceasing ministry within his soul.

The Church

We believe that the church, the body of Christ, is composed of all those who have true faith in the Lord Jesus Christ. We further believe that the visible church or assembly is a congregation of baptized believers associated by covenant in the faith and fellowship of the gospel; observing the ordinances of Christ, the true head of the Church; looking to the Holy Spirit, the administrator, for guidance in exercising the gifts, rights, and privileges invested in the believer by His Work.

The Obligation of Holiness

We believe that all believers in the Lord Jesus Christ are called into a life of separation from the world to which they have been crucified by the death of Christ, and should abstain from worldly lust and such practices and habits as will retard spiritual growth or cause others to stumble and thus bring reproach upon the cross of Christ. The believer is called upon to walk worthily, keeping himself unspotted from the world, and to be zealous of good works.

The Evangelization of the World

We believe in the evangelization of the world, placing emphasis upon the task of reaching the individual with the gospel and its implications, and that no humanitarian and philanthropic schemes may be substituted for the preaching of the Cross.

Biblical Interpretation

We believe in accepting the literal teaching of the Word. "When the plain sense of Scripture makes common sense, seek no other sense." Therefore, every declaration is to be taken in its primary, ordinary, literal, and most obvious meaning unless the facts of the context and the well-defined laws of language clearly indicate the terms either to be symbolic or figurative and not literal. Whatever is not literal must be explained in the light of other passages which are literal.

Creation

We believe in the Genesis account of creation, which teaches that all things found their origin in God Who created by His own fiat, instantaneously, every living thing after its kind.

The Return of Christ

We believe, according to Scriptures, in the sure return of the Lord Jesus Christ; that this second coming will be a literal, bodily, personal return; that His coming for His bride, the Church, constitutes the "Blessed Hope" set before us, for which we should be constantly looking. We believe that His coming will be premillennial.

Eschatology

A. The righteous dead

We believe that the souls of those who trusted in Christ for salvation will go immediately at death into His presence and there remain in conscious bliss until the resurrection of the righteous dead at the rapture when soul and body shall be reunited to ever be with the Lord in glory.

B. The unrighteous dead

We believe that the souls of the lost remain after death in conscious misery until the final judgment of the great white throne when the soul and body will be reunited in resurrection to be arraigned before God in judgment and then cast “into the lake of fire, which is the second death” to be “punished with everlasting destruction from the presence of the Lord and the glory of His power.”

Satan

We believe in the reality of the person of Satan, “that old serpent, called the Devil and Satan, which deceiveth the whole world.”

Points of Conviction**A. Inspiration of Scripture**

Inspiration is verbal, plenary, and the Bible is infallible and inerrant in its entire 66 books. (I Tim. 3:16; 2 Pet. 1:19-21; I Cor. 2:13; Gal. 3:16; John 10:34-35)

B. Charismatic movement

Speaking in tongues is not for this age. The current charismatic involvement has its emphasis on experience and is in grave error. (I Cor. 14:22; 2 Cor. 12:12; Heb. 2:3-4)

C. Offices and ordinances of the Church

The two offices of the local church are pastor and deacon, and the two ordinances are baptism and the Lord's supper. (Phil. 1:1; I Tim. 3:1-13; Acts 20:17,28; Tit. 1:5,7; I Pet. 5:1-2; Matt. 28:19-20; Acts 8:36-39; Rom. 6:3-5; Col. 2:12; I Cor. 11:23-26)

D. Evolution

Evolution is contrary to the Word of God, and proper biblical belief leaves no place for theistic evolution. (Eph. 3:9; Rom. 11:36; Col. 1:16-17; Gen. 1-2; Exod. 20:11)

E. The Rapture of the Church

The rapture of the Church is imminent and will precede the Tribulation. (Phil 3:20; Tit. 2:13; John 14:1-3; I Cor. 15:51-55; I Thess. 4:13-5:11; Rev. 3:10)

F. Civil government

We believe that God has ordained and created all authority consisting of three basic institutions: (1) the home, (2) the church, and (3) the state. Every person is subject to these authorities, but all, including the authorities themselves, are answerable to God and governed by His Word. God has given each institution specific biblical responsibilities and balanced those responsibilities with the understanding that no institution has the right to infringe upon the other. The home, the church, and the state are equal and sovereign in their respective biblically assigned spheres of responsibility under God. (Rom. 13:1-7; Eph. 5:22-24; Heb. 13:17; I Pet. 2:13-14)

G. Human sexuality

- a. We believe that God has commanded that no intimate sexual activity be engaged in outside of a marriage between a man and a woman. We believe that any form of homosexuality, lesbianism, bisexuality, bestiality, incest, fornication, adultery, and pornography are sinful perversions of God's gift of sex. We believe that God disapproves of and forbids any attempt to alter one's gender by surgery or appearance. (Gen. 2:24; Gen. 19:5,13; Gen. 26:8-9; Lev. 18:1-30; Rom. 1:26-29; I Cor. 5:1, 6:9; I Thess. 4:1-8; Heb. 13:4)
- b. We believe that the only legitimate marriage is the joining of one man and one woman. (Gen. 2:24; Rom. 7:2; I Cor. 7:10; Eph. 5:22-23)

H. Family relationships

We believe that God has ordained the family as the foundational institution of human society. We believe that men and women are spiritually equal in position before God, but that God has ordained distinct and separate spiritual functions for men and women in the home and the church. The husband is to be the leader of the home, and men are to be the pastors and deacons of the church. Accordingly, only men are eligible for ministerial licensure and ordination by the church. (Gen. 1:26-28; Exod. 20:12; Deut. 6:4-9; Ps. 127:3-5; Prov. 19:18, 22:15, 23:13-14; Mk. 10:6-12; I Cor. 7:1-16; Gal. 3:28; Eph. 5:21-33, 6:1-4; Col. 3:18-21; I Tim. 2:8-15, 3:4-5,12; Heb. 13:4; I Pet. 3:1-7)

I. Lawsuits between Believers

We believe that Christians are prohibited from bringing civil lawsuits against other Christians or the church to resolve personal disputes. We believe the church possesses all the resources necessary to resolve personal disputes between members. We do believe, however, that a Christian may seek compensation for injuries from another Christian's insurance company as long as the claim is pursued without malice or slander. (I Cor. 6:1-8; Eph. 4:31-32)

J. Abortion

We believe that human life begins at conception and that the unborn child is a living human being. Abortion constitutes the unjustified, unexcused taking of unborn human life. Abortion is murder. We reject any teaching that abortions of pregnancies due to rape, incest, birth defects, gender selection, birth or population control, or the physical or mental wellbeing of the mother are acceptable. (Job 3:16; Ps. 51:5, 139:14-16; Isa. 44:24, 49:1,5; Jer. 1:5, 20:15-18; Luke 1:44)

Gender and Ministry

The University recognizes that throughout Scripture and church history God has used both men and women for the advancement of the Gospel. He continues to do so. While affirming the Scriptural belief that the role of the pastor can be filled only by a man (I Tim. 3:1-7), the University recognizes the availability of various leadership roles that can be filled by both men and women (I Cor. 12; Gal. 3:28). Consideration is given, on very rare occasions, to applicants without a bachelor's degree and those with degrees from colleges that are not recognized. Graduate Assistantship

Each year Piedmont International University awards graduate assistantships to outstanding students in the Ph.D. program. An assistantship runs for one year and may be renewed annually. Applications may be submitted to the office of the Provost.

Conditional Acceptance

At the master's level, applicants may be conditionally accepted based upon the information on the application alone. Conditionally accepted students may enroll for up to nine semester hours pending receipt of all official transcripts, standardized test scores, and all other items requested for their particular program prior to the completion of their first semester in a graduate program. Students who have not submitted the required documentation by the end of the first semester will be ineligible to receive academic credits and will not be allowed to enroll in additional courses until the documentation is received and full acceptance is granted. Conditional acceptance is not a guarantee of full acceptance into a degree program. Federal financial aid is not available to students in this status.

Ph.D. Admission with Deficiencies

Ph.D. applicants who, while meeting all the other requirements, are deficient up to 12 semester hours in Greek, Hebrew, Introduction to the New Testament,

Introduction to the Old Testament, and Systematic Theology may be admitted with deficiencies. Deficiency courses must be taken prior to or concurrent with Ph.D. courses. The minimum required grade in a deficiency is a “B.” Deficiency courses do not count toward the Ph.D. GPA or the Ph.D. credit requirements.

Online Students

The M.A. in Ministry and the M.A. in Biblical Studies (Non-Language Track and Ph.D. Preparation Track) may be completed online. Selected courses in other degree programs are available online, or through Adobe Connect.

Students must apply and be accepted before they may register for classes. It takes approximately eight weeks to complete an online course.

International Students

Piedmont welcomes international students who have a bachelor's degree or its equivalent. In addition to the standard admissions requirements for all graduate students, international students whose first language is not English must submit satisfactory TOEFL (Test of English as a Foreign Language) scores. The minimum score for admittance is a paper-based score of 500, a computer-based score of 173, or an Internet-based score of 61. Information about the test may be obtained from www.toefl.org. TOEFL may be waived for students who have completed a baccalaureate level program at a recognized college or graduate school with English as the medium of instruction after transcript evaluation and an institutional English examination or interview.

International students not meeting the M.A.B.S. GPA requirements but meeting the M.A. in Ministry requirements may apply for admission as M.A. in Ministry students. After achieving the required GPA for the M.A.B.S. over an academic record of 9 semester hours, they may request change of status as M.A.B.S. students. The GRE is not required.

International students are also required to make financial arrangements before the I-20 student visa request form can be issued. The University must receive on deposit the funds in United States dollars to cover the cost of the first year's education. Financial information may be obtained from the Graduate Admissions Office including amounts for all fees, tuition, and books.

The I-20 student visa request form will not be sent to the applicant until all of the admissions requirements have been met.

International students are encouraged to submit all admissions materials at least six months prior to projected enrollment and obtain an acceptance letter at least three months prior to starting their first course.

Funded Grants and Scholarships

Funded Scholarships

Funded scholarships are made possible through the generous support of donors. Other than for Operation Uplift, applications are received each Spring from currently enrolled students. Awards are made at the last chapel of the Spring semester for the following academic year.

Donald & Yvonne Schneff Scholarship

The Donald & Yvonne Schneff Scholarship was established by the congregation of Sky Lake Baptist Church of Orlando, Florida, in honor of their pastor, Rev. Donald Schneff, and his wife, Yvonne. Pastor Schneff, an alumnus of Piedmont Bible College, served the church faithfully for 37 years. The recipient (s) of the scholarship will be a married student(s) enrolled full-time. The total annual scholarship amount will be \$6,000. The University Scholarship Committee will select the recipient(s) and determine the amount of each scholarship.

George M. and Doris T. Manuel Ministry Scholarship

This scholarship was established in honor of George M. and Doris T. Manuel, who both were loyal and dedicated employees of Piedmont. Mr. Manuel served as a professor and librarian for many years before his premature death while Mrs. Manuel served in a variety of roles at the College for 38 years.

Following extensive military service in WWII as a commissioned officer, including time as a prisoner of war in Germany, George Manuel surrendered to the Lord and enrolled in Piedmont Bible College in 1948 accompanied by his new bride, Doris. Following graduation in 1953, he served on the staff at Piedmont during which time he completed a B.A. degree in history from Guilford College. Two months before he was to receive his Master of Library Science degree from UNC-CH, he was called home to be with the Lord in June 1963 at the age of 40.

Doris, a young widow with three children, continued to serve in various capacities on the staff for more than 35 years, serving until the last year of her life, passing into the Lord's presence in May 1999.

George and Doris were exemplary in character, in their love for Christ, and in their loyal, devoted, dedicated service to Piedmont for a combined total of almost 50 years.

This scholarship is awarded to two undergraduate or graduate full-time students (one male and one female) preparing for full-time Christian service. Each recipient must have a cumulative grade point average (GPA) of 3.25, maintain a satisfactory Christian Service record, demonstrate consistency by fulfilling reporting and financial obligations to the University, and demonstrate a commitment to full-time ministry.

This scholarship is based on need. The University Scholarship Committee will review the list of eligible students and, based on the criteria identified above, award scholarships in the amount of \$600 per student per year.

Operation Uplift

Piedmont International University maintains a fund for scholarship donations. Any funds available in this account may be awarded throughout the year. Recipients will be selected by the University Scholarship Committee.

Williams Family Endowed Scholarship

The Williams Family Endowed Scholarship was established by Abie and Debbie Williams in December of 2005 to assist students enrolled at Piedmont International University. Preference will be given to students from the New River Valley area of southwest Virginia, particularly from Calvary Baptist Church of Radford, Virginia. The student(s) selected annually must enroll full-time. The recipient(s) shall be selected by the University Scholarship Committee. The amount of the scholarship will vary each year according to the amount realized by the annual return on the fund investment.

Federal Loans and Work-Study

Receipt of federal student aid is based on need. It requires that the student has been accepted as a regular student in an approved program, is a citizen or an eligible non-citizen, is making satisfactory academic progress, and is enrolled in courses which apply to his program. To qualify for federal aid, the student must

complete a Free Application for Federal Student Aid (FAFSA). If the application is selected for verification, verification must be completed before any financial aid can be guaranteed.

Direct Loans (Formerly Stafford Loans)

This government-insured loan program with low interest rates is available through Department of Education. Repayment of these loans can be deferred until after graduation. Instructions for application are available on the Financial Assistance page of the website. Completion of the Free Application for Federal Student Aid is required for a Direct loan. Amounts borrowed may not exceed the cost of education, less financial aid, per year. Final approval for student loans will be determined by the Financial Assistance Office

Federal Graduate Plus Loans

PLUS Loans are for graduate students who are borrowing to help pay for their education or desiring to provide additional funds for educational expenses. Interest rates and repayment requirements vary. Amounts borrowed through each program may not exceed the cost of education, less financial aid, per year.

Federal Work-Study

This program provides on-campus jobs for students who need financial aid, thus giving them an opportunity to earn money to help pay educational costs. The Federal Work-Study award varies according to funds provided to the College and aid received from other programs. Students will be paid at least the current federal minimum hourly wage. Students must first complete the Free Application for Federal Student Aid and must be making satisfactory academic progress.

Verification Policy

Verification is the process of confirming the accuracy of student's information as reported on his FAFSA application. The institution is notified by the U.S. Department of Education of applications that require verification. In addition, the Financial Assistance Office may select a student if there is a discrepancy or a condition which is unusual and warrants investigation. The student may be notified by the Department of Education and by the Financial Assistance Office that verification is required. The U.S. Department of Education gives the Institution the authority to request copies of certain financial documents from the student and spouse. These can include, but are not limited to, student and spouse/parent tax returns, W-2 forms, and a verification worksheet. Links to the verification worksheets are available on the Financial Assistance page of the website. Instructions are on the worksheets.

The student is required to submit all information requested for the verification process in a timely fashion. The student's financial aid cannot be processed until the verification is complete. All financial aid must be processed in its entirety before the end of the semester to satisfy the debt on the student's account.

Failure on the part of the student to fulfill his/her financial obligation to the University can result in the student's removal from class attendance.

If the verification reveals changes that need to be made to the FAFSA to ensure that it is accurate, the Financial Assistance Office will make those on behalf of the student. Any resulting change to the EFC that causes a variance in the amount of loans or scholarships will be reported to the student.

Veterans Benefits

Veterans who wish to receive benefits should apply for the Certificate of Eligibility at the nearest Department of Veterans Affairs Office. The Certificate of Eligibility should be presented to the Director of Financial Assistance by the student at least one month prior to enrolling. A certified copy of the veterans' DD214 should be submitted with this form. The veterans who have previously used their benefits should so indicate when applying for admission.

Veterans are limited in course substitutions. Any course substitution must be approved by the Director of Financial Assistance or the Dean of the appropriate school prior to any schedule adjustment.

Satisfactory Academic Progress for Financial Aid

To qualify for federal financial assistance, graduate students must maintain a minimum cumulative grade point average of 2.50 for the M.A. Min. and M.Ed. and 3.00 for the M.A.B.S. and the Ph.D. while completing 67% of all courses for which they were registered.

A student who fails to achieve the required GPA or completion rate at the end of any semester is placed on Academic Probation for Financial Assistance for one semester. For the semester of probation, a student can qualify for Financial Assistance. A student who fails to meet the requirements at the end of the semester of Academic Probation will be suspended from Financial Assistance. Financial Assistance eligibility will be restored when the student achieves the required GPA and completion rate. Student records are evaluated at the end of each semester and summer.

Financial Aid Appeals Policy

The student who wishes to appeal loss of financial assistance may submit a letter to the Graduate Review Committee through the Provost. The Graduate Review Committee is composed of the Provost, the Vice President of Graduate Studies, the appropriate Dean, a graduate professor, and a graduate student. Successful appeals are usually based on factors beyond the student's control and include, but are not limited to, death in the immediate family, serious accident or illness, or loss of child care.

Student Life

Spiritual Development

The spiritual development of students is a primary concern at Piedmont International University. Graduate students should be pacesetters in their communities, both spiritually and professionally. Christian leadership demands an exemplary testimony. Continual growth in Christian maturity must be evidenced in the lives of graduate students through daily quiet time in prayer and Scripture reading, active witness to the unsaved, fellowship with the local church, and obedience to the will of God in daily life choices.

Chapel Attendance

Graduate students in residency programs are encouraged to attend chapel and special conferences.

Christian Ethics

It is the goal of Piedmont International University to provide a Christian atmosphere and one that challenges students to live lives pleasing to Christ, guided by biblical standards, and manifesting the fruit of the Spirit.

To expect the believer to exemplify Christian love, consideration of the rights of others, honesty, and a high sense of Christian ethics is Biblical. Believers are to avoid gossiping, backbiting, and maligning of character, in keeping with that which Christ taught to be essential in the character of Christians.

Sexual Harassment Policy

Piedmont International University does not tolerate the harassment of individuals with regard to race, color, religion, national origin, sex, age, disability, or veteran status.

No student or employee should be subjected to unsolicited and unwelcome sexual overtures or conduct, either verbal or physical. It is the University's policy to strictly prohibit any conduct that constitutes sexual harassment and to discipline any student or employee, whether a student, manager, or co-worker who is guilty of such conduct. Such conduct includes, but is not limited to, offensive jokes, comments, innuendos, and other sexually oriented statements.

If a student or employee feels that s/he has been subjected to any type or degree of harassment, s/he is to report the incident verbally or in writing to the Vice President of Graduate Studies or to the Dean of his/her school within 48 hours of the incident. A written complaint should include the specific nature of the harassment and the date(s) and place(s) such harassment took place, as well as the student's or employee's name and telephone number. The Vice President of Graduate Studies will report the case to the Director of Student Development, who will conduct a thorough investigation of the complaint and appropriate remedial action will be taken by the Administration. The confidentiality of the parties involved will be protected throughout the investigation, and only those individuals who the Vice President of Graduate Studies deems to have need of knowledge of the alleged harassment will be informed of any details of the investigation or charge.

Any student or employee found to have violated the harassment policy will be disciplined appropriately. Likewise, disciplinary measures will be applied in any instance determined to have been fabricated for malicious reasons.

Drug Policy

Illegal Drug/Controlled Substance Information Sheet as required by the Drug Free School and Communities Act Amendments of 1989 (Public Law 101-226).

Drug Abuse Policy and Penalties

Students enrolled in Piedmont International University are subject to disciplinary action for the possession, manufacture, use, sale, or distribution (by either sale or gift) of any quantity of any prescription drug or controlled substance or for being under the influence of any prescription drug or controlled substance, except for the use of medication in accordance with the instructions of a licensed physician. Controlled substances include, but are not limited to, marijuana, cocaine, cocaine derivatives, heroin, amphetamines, barbiturates, LSD, PCP, and substances typically known as "designer drugs" such as

“ecstasy” or “eve.” Possession of paraphernalia associated with the use, possession or manufacture of a prescription drug or controlled substance is also prohibited.

The University prohibits the unlawful possession, use, manufacture, or distribution of illicit drugs by employees. The penalty for violation of the University’s policy on drug and alcohol abuse may range from a reprimand to suspension without pay for an appropriate period or termination of employment. Additional local, state, and federal penalties may apply. In addition to sanctions imposed by Piedmont for violation of the Drug Policy, a student may be subject to regulations of civil authorities. Various local, state and federal regulations prohibit the illegal use, possession, and distribution of illicit drugs and alcohol. The University will refer students to law enforcement authorities for any behavior that is in violation of the law.

Plagiarism

A student commits plagiarism when he or she appropriates material that is beyond the parameters of common knowledge without acknowledging that source. Stealing may involve ideas, information, wording, or phraseology. Plagiarism is theft. A paper that has plagiarized the original (whether done intentionally or unintentionally) will be rejected and a grade of zero is assigned. Repeated offenses of plagiarism may result in suspension. In addition to written papers, students should note that they are responsible for properly crediting sources for oral or PowerPoint presentations. More information about plagiarism can be found on pages 77-80 in the seventh edition of Kate Turabian’s, *A Manual for Writers of Research Papers, Theses, and Dissertation*. Ph.D. students should also refer to sections 2.5.5.3 and 2.5.5.4 in the Ph.D. Handbook. In case of any doubts about plagiarism or properly crediting sources, students should contact the professor of the course for clarification before the submission of any project.

The following procedure is followed in addressing plagiarism:

- Verification by the professor
- Reporting plagiarism to the Graduate Student Guidance Committee
- Vote of the Graduate School
- Recommendation to the Vice President of Graduate Studies

Plagiarism appeals may be addressed to the Graduate Review Committee.

Character and Conduct

Piedmont International University seeks to provide an atmosphere conducive to serious study and to the development of strong Christian character. Inasmuch as the welfare of the group and that of the individual are best promoted by adequate regulation, the general rules and regulations published in the Graduate Student Life Guide are to be followed.

Students whose general conduct and influence are considered to be out of harmony with the standards of this Institution may be expelled, suspended, or refused readmission. Student conduct infractions are considered by the Graduate Student Guidance Committee.

The University recognizes that standards and restrictions in themselves do not produce spirituality. While all Christians do not agree on what should or should not be included in such rules, these minimal standards have been adopted by the University to further its institutional objectives and to maintain its institutional integrity.

The following rules are in effect during the student's enrollment at Piedmont including the summer sessions and vacation periods. Students, who in the opinion of the Administration, are not willing to cooperate in maintaining the following standards will be subject to appropriate discipline. The Student Guidance Committee will refer violations of the following standards to Administration. The Administration's decision may result in penalties as severe as permanent suspension from Piedmont International University.

Piedmont International University forbids all members of its community to participate in the following:

- Membership in or association with oath bound or secret societies, the occult, or a lodge
- Possession and/or use of alcoholic beverages
- Illegal and improper possession and/or use of narcotics, drugs, and hallucinogens (including marijuana)
- Immorality, homosexuality, adultery, fornication, and any other deviant form of sexual behavior
- Possession and/or use of pornographic pictures, literature, video cassettes, internet sites, or films.

- Possession of firearms, fireworks, or weapons of any kind on campus. This includes Stevens Hall and the student's own vehicle.
- Attendance at night clubs, bars, and similar places
- Inappropriate dancing
- Use of tobacco in any form
- Gambling in any form, including the lottery, or gambling card games of any type

Furthermore, the University expects members of the Graduate community to use discretion in areas that are not regulated. The choice of TV programs, music, reading material, videos, and coliseum events should be matters of concern for every Christian. Furthermore, personal associations and use of the Lord's Day need to be carefully considered by each student in the light on one's personal testimony and spiritual walk. Proper discretion becomes extremely important in the community situation.

Complaints, Reviews, and Appeals

All student complaints, reviews, and appeals should be made to the appropriate person or committee in writing within one semester, in the following order:

1. The faculty or staff member directly responsible for that area
2. The Dean of the appropriate school
3. The Vice President of Graduate Studies
4. The Graduate Review Committee through the Vice President of Graduate Studies.

The Graduate Review Committee is composed of the following:

The Vice President of Graduate Studies- Chair

The appropriate Dean

A faculty member (not related to the case)

A student representative

5. The Provost
6. The Board of Trustees through the President
7. After all institutional avenues are exhausted, a student may contact the offices of Transnational Association of Christian Colleges and Schools, 15935 Forest Road, Forest, VA 24551.

Point System

The 4.0 system of awarding academic credit is used. One credit hour is awarded for a class meeting one hour per week for a semester, two credit hours for a class meeting two hours per week, etc. Quality points are awarded using the following scale:

- 4 points for each credit hour of A-grade work
- 3 points for each credit hour of B-grade work

- 1 point for each credit hour of D-grade work
- 0 points for each credit hour of F-grade work

Grade point averages are determined by dividing quality points by credit hours.

Grade Replacement

With the appropriate permission, a student may repeat a course in which he has received C, D, F, or WF. The new grade replaces the lower grade in the calculation of the student's GPA, but the former grade is not physically removed from the permanent record. A student is allowed multiple attempts to replace a grade. With the exception of the original grade, all subsequent grades will be computed in the GPA.

Course Challenges

A student may challenge a course for which he has sufficient background if he receives the approval of the Dean of the appropriate school. A student may challenge a course only once. Course challenges are permitted only during the first four weeks of each semester. A student may not challenge:

1. a course for which he is or has been registered
2. a course in which he has received a final grade

A student will receive credit, which will be recorded as P (Passed), upon passing the examination with a minimum grade of B. P is recorded on the transcript, but it is not included in the grade point average. Examination results judged inadequate will not be recorded on the transcript. Course challenges may not be used to meet the residency requirement for transfer students. After completing the proper form, the student must take the challenge examination from the appropriate professor. The student is responsible for the payment of the challenge fee to the Business Office prior to taking the challenge examination. The fee per course to be challenged is \$50. This fee is applicable toward the tuition if credit is to be earned for the course.

Required courses which are challenged for the purpose of being waived do not result in credit, nor in tuition charges. Courses, required or elected, that are challenged for the purpose of credit will result in tuition charges, if passed. The total combined credit hours of course challenge, transfer, and Advanced Standing may not exceed 50% of the requirements for a degree.

Satisfactory Academic Progress

The graduate student must make satisfactory academic progress in order to continue his/her enrollment and to advance toward degree completion. Academic progress is measured qualitatively through the student's grade point average and quantitatively through the student's rate of earning credits toward graduation. Financial Assistance eligibility requires both qualitative and quantitative satisfactory academic progress. See Satisfactory Academic Progress for Financial Assistance in this catalog. A student must maintain a minimum cumulative grade point average of 2.50 for the M.A. Min. and M.Ed. and 3.00 for the M.A.B.S. and the Ph.D. while completing 67% of all courses for which he/she has been registered.

Academic Probation

A student who fails to maintain the minimum cumulative grade point average for his/her program at the end of any semester will be placed on Academic Probation. A student on Academic Probation will be limited to a reduced load and required to participate in an academic counseling program. A student who is on probation may continue to receive financial aid for one semester.

Academic Suspension

A student on Academic Probation who fails to achieve a minimum semester average of 2.50 for the M.A. Min. or 3.00 for the M.A.B.S. and the Ph.D. at the end of the first semester of probation or a minimum overall grade point average of 2.50 for the M.A. Min or 3.00 for the M.A.B.S. and the Ph.D. at the end of the second semester of probation will be suspended from Graduate Studies for one semester.

Readmission

A student on Academic Suspension is eligible to apply for readmission after one semester following suspension. Readmission is not automatic. If readmission is granted, a student will reenroll on academic probation and will have two semesters to reach the appropriate minimum overall grade point average for removal of probation.

Academic Advising

The University considers academic advising an integral part of each student's program. Every degree student is assigned an academic advisor for assistance

in planning a satisfactory academic program, for academic guidance, for vocational counsel, and for spiritual mentoring. A graduate student is required to meet with his or her advisor at least once per semester. Online or modular students may meet the requirement through online or telephone communication.

Class Attendance

Regular class attendance is expected of all graduate students. Students who are absent from 25% or more of the scheduled class meetings, whether these absences are excused or not, are subject to failure in that class. Students may arrange absences and make-up of academic work with each professor in accordance to the course syllabus.

Academic Load

The minimum number of hours to be classified as a full-time graduate student is 9 hours per semester for the M.A. Min. and the M.A.B.S. and 6 hours per semester for the Ph.D. Those interested in a faster pace may enroll in more hours.

Ministry Fulfillment

An essential component in the educational preparation of every student is acquiring effective communication skills in ministry. Course-related ministry assignments enable students to apply classroom knowledge in field-based opportunities.

Degree Completion Time Limits

The maximum time limit for the B.A.-M.A.B.S. is seven years, for B.A.- M.A. in Ministry is seven years, for the M.A. Min. and M.Ed. is five years, for the M.A.B.S. Ph.D. Prep and Non-Language is six years, and for the M.A.B.S. Chaplaincy and Ph.D. is eight years. Graduate students with Advanced Standing and/or enrolled in online or summer modular courses may complete their programs in less time.

Academic Complaints, Reviews, and Appeals

Complaints, reviews, and appeals should be made to the appropriate person or committee in writing within one calendar year, in the following order:

- The faculty or staff member directly responsible for that area

- The Dean of the appropriate school
- The Vice President of Graduate Studies
- The Graduate Review Committee through the Provost
- The Board of Trustees through the President

After all institutional avenues are exhausted, a student may contact the offices of Transnational Association of Christian Colleges and Schools, 15935 Forest Road, Forest, VA 24551

Transfer of Piedmont International University Credits

Piedmont International University credits are transferable to various graduate institutions; however, academic institutions are autonomous in determining policies for admission and transfer of credits.

Family Education Rights and Privacy Act (FERPA)

A student's record is confidential. The release of information from a student's permanent record is governed by federal law: the Family Educational Rights and Privacy Act (FERPA) (20 U.S.C. §1232g; 34 CFR Part 99). Only directory information may be released by the institution without the consent of the student. Directory information includes the following: student's name, address, telephone number, birthplace and date, field of study, participation in officially recognized activities, dates of attendance, degrees and awards received, and the most recent previous educational institution attended.

This policy applies to all PIU students (resident, modular, and online) and to all official documents (personal records, academic information, e-mails, examinations, and assignments).

Research Style Manual

The most recent edition of *A Manual for Writers of Term Papers, Thesis, and Dissertations* by Kate Turabian is the basic manual of style for all formal papers in the M.A. in Ministry, M.A.B.S., and Ph.D. programs. The most recent edition of the APA style guide is the basic manual for the formal papers in the M.Ed. program. Footnotes are preferred. Faculty may specify exceptions for particular assignments as necessary.

Online Orientation, Course Policies, Procedures, and Tutorial

Program Structure

Several graduate degree programs at Piedmont International University are available online to enable students to complete their advanced training without leaving home and their ministries. Most courses are offered via Blackboard in seven week sessions, usually with the Monday of the eighth week devoted to final examinations. Two sessions are scheduled each semester including summer. Students may enroll in one or more courses pending approval of their advisors. Graduate Language courses are taught on Adobe Connect and last the entire semester.

Code of Honor

The standards governing the PIU community are based on our shared Christian values inherent in the Doctrinal Statement. The University expects its administration, faculty, staff, and students to exercise biblical integrity in all aspects of life. Plagiarism, cheating, and falsification are violations of the biblical standards.

Student Identification

Online student identification is based on course syllabus policy statements, student affirmation on every assignment and examination, chat room participation, telephone interviews, institutional email addresses, and password protected course and portal access.

Privacy and Integrity Rationale

The University policies of privacy and integrity find their rationale in Federal Law and the Scriptures. Abiding by the policies established by the University makes student academic success possible.

Change of Program

Students usually indicate their program choice at the time of application. Those wishing to alter their choices may do so at any point during their enrollment through the Office of the Registrar, by processing a "Change of Program" form. Students changing programs will follow the requirements of the new programs in effect at the time of the change.

Dropping a Course

Changes in courses made after the student has attended the class or accessed the appropriate Blackboard/Adobe course site require permission from the Registrar and consultation with the student's advisor, the Financial Assistance Director, and the Student Accounts Associate. A course which is dropped because of a failing grade will be recorded as a failure. No course may be dropped after the tenth week of a semester class, after the fourth week of an online class, and after the third day of the week-long modules. Courses dropped without permission will be recorded as failures.

Withdrawal from Piedmont International University

Any graduate student withdrawing from the University for any reason must complete the proper form obtained from the Registrar. Online students may complete the process online. All students must confer with their Advisor, the Dean of their school, the Registrar, the Financial Aid Assistance Officer, and the Student Accounts Associate prior to withdrawal before an acceptable withdrawal is granted.

If a student's attitude or conduct does not conform to his/her pledge, the University reserves the right to request withdrawal. The same holds true if the student demonstrates that he/she is unsuited to the work of graduate studies because of inability to maintain a satisfactory grade point average.

Grades are recorded as Withdrew, Passing, or Failing as of the day of the submission of the written withdrawal form. Financial obligations are also computed as of that date. A complete refund schedule is included on the Schedule of Fees which is available in the Financial Assistance Office or on the Piedmont International University website, www.PiedmontU.edu.

Comprehensive Examinations

Graduate students in the M.A. in Ministry and M.A. in Biblical Studies programs must take a written comprehensive examination as their “capstone” experience during the last two semesters before graduation. The M.A. in Ministry and M.A. in Biblical Studies exams are designed to incorporate subject areas from a core of courses, as well as from the student’s concentration. Adequate time will be allotted for a careful and thorough review of foundational theology and appropriate course work to determine the knowledge and position of the student. A summary of the student’s responses and a complete evaluation of his/her performance will become part of the student’s permanent record. In the event that a student does not respond in an adequate manner, a corrective direction will be recommended, and the student will be allowed one retest after a period of at least one month. The comprehensive examination must be taken at a scheduled time. A request to complete the exam should be submitted to the Dean of the appropriate school. This form must be submitted by October 15 for Fall completion or by December 15 for Spring graduation. Details on the exam may also be obtained from the Dean of the appropriate school.

Ph.D. students must take written and oral comprehensive examinations upon completion of 48 hours of core, concentration, and elective courses. Please see the *Ph.D. Handbook* for details. The capstone requirement for the M.Ed. is a thesis or a Professional Portfolio. For details, policies, and procedures, please consult the M.Ed. handbook.

Thesis or Professional Portfolio

Graduate students in the M.Ed. program must submit a Thesis or Professional Portfolio as a capstone project to reflect a graduate level of knowledge and research skills as well as professional presentation skills. Students will select a thesis research topic or design a portfolio relevant to their field of education. The project selection will be made at least halfway through the program of study and must be structured around a framework of acceptable professional standards.

Ph.D. Dissertation and Oral Defense

The Ph.D. dissertation is a formal treatise that advances a proposition based on scholarly research. At Piedmont a dissertation focuses on a topic in or related to Old Testament, New Testament, or Theology. Included among the criteria of a successful dissertation are the following: Appropriate topic, valid research question, original research, sound methodology, coherent argumentation, critical

evaluation, effective style, theological agreement with Piedmont, biblical coherence, conformity to deadlines, and contribution of scholarship.

After submitting an acceptable first draft, a Ph.D. student will request through the chair of the dissertation committee scheduling an oral defense of the dissertation before an examining committee in March of his final semester. If a student is not prepared for the oral defense in March, he may request postponement of his/her graduation. The examining committee consists of the chair of the dissertation committee, second reader, and the third reader. A fourth optional member may be selected from another department or outside the University. The student is expected to articulate the position in the dissertation, present the arguments researched, evidence thorough knowledge of the field, show familiarity of related literature both affirmative and negative, and be prepared to answer any pertinent questions.

Please consult the *Ph.D. Handbook* for more details.
